

## **Farm Hand/Operators**

### **Locations: – near Gunnedah and Inverell, mid-Northern NSW**

We are seeking Farm Hand / Operators to join our team at our properties based around Gunnedah and Inverell in mid-northern New South Wales. The role focuses on the day-to-day activities on the farm, which includes a variety of tasks such as crop seeding and spraying, fencing, machinery operations, harvesting, livestock handling and maintenance duties. Ideally you will have some experience with farm work, operating farm machinery, basic mechanical skills, and livestock handling.

Applications from people with strong communication skills, ability to work by self and as part of a team with a focus on completing quality work safely will be highly regarded.

We have vacancies for permanent full-time and casual work at both locations.

### **Property Descriptions:**

The Watermark is a 6,000ha mixed cropping and grazing operation that is 30km South of Gunnedah, 70km northwest of Quirindi or 80km West of Tamworth.

The Gragin Aggregation is 47km Northwest of Inverell and approx. 2,500ha in size. There will also be a requirement to work at the Rocky Creek Aggregation, which is 40mins East of Ashford or about 1hr North of Glen Innes or Inverell and 5,000ha. Both aggregations are a mix of cropping and livestock grazing.

### **We are seeking candidates who have the following experience, skills and traits:**

- Demonstrated experience in operations in cropping and/or livestock handling preferably within a large-scale enterprise.
- Experience with operation of farm machinery and maintenance will be highly regarded.
- Drivers' licence is essential.
- Strong mechanical and welding skills will be advantageous.
- Must be able to work safely, alone and as part of a team.
- Good communication skills with good problem-solving ability and a positive attitude to work.
- Be physically fit and able to fulfill all requirements of the role.
- Heavy Vehicle Licence, ChemCert Certificate, current First Aid Certificate will be highly regarded.
- Ability to complete accurate records (paper and online).
- Be willing to travel for work purposes which will include stays away from home.

On offer is competitive pay, super, and other benefits to be negotiated with the successful applicant.

Applicants looking for Casual work will also be considered during this process.

### **About Faulkner Farming**

Faulkner Farming manages mixed farming properties with a focus on regenerative practices for Australian and European institutional investors. Gunn Agri Partners proudly manages Faulkner Farming, Cunningham Cattle Co. and Wollemi Farms. Gunn Agri Partners is a manager of institutional investments in agriculture and has assets in cattle production, mixed farming and permanent crops.

Faulkner Farming provides an opportunity for a career progression with an organisation committed to sustainable farming and innovation, where we value the safety and welfare of our people. These values have helped us realise a track record of success and we are growing rapidly as a result.

Remuneration will be negotiated with the successful candidate based on experience. A career with Faulkner Farming will provide you with an opportunity for further training and development to progress within the business.

For any questions about the role, please send an email to [careers@faulknerfarming.com.au](mailto:careers@faulknerfarming.com.au) with reference – Farm Hand/Operator Watermark.
