

Western Meat Processors Abattoir (Part of the Western Meat Packers Group) are a Family Owned Company.

The Beef Only Abattoir is situated in Cowaramup (which is within the Augusta Margaret River Shire). The Abattoir is in close proximity to Cowaramup, Margaret River, Vasse, Dunsborough and Busselton Townships.

A Position has become available within the business for a Maintenance Manager. The Existing Maintenance Manager is relocating to our Osborne Park Facility.

The Abattoir is Export Accredited (along with holding Several Beef Industry Certifications).

JOB DESCRIPTION

Western Meat Processors Abattoir is currently Seeking a Maintenance Manager to oversee all aspects of our Maintenance Program. The Position will be Full Time (with some flexibility in hours required). Reporting to the General Manager, the role requirements include (but are not limited to):

- Leading, Coaching and Developing a Team of Under 6 Maintenance Personnel
- Overseeing and Managing the Installation of both New and Existing Equipment
- Ensuring the Company's Facilities are Well Maintained (Supporting Business Operations)
- Total Preventative Maintenance, Managing Breakdowns for both Mechanical and Electrical Equipment
- Acting as the Main Point of Contact for All Maintenance Related Items On-Site
- Increasing the Site Overall Equipment Effectiveness (OEE)
- Identifying Opportunities for Improvement and Driving a Continuous Improvement Culture
- Coordinating Work Performed by Outside Contractors and Service Providers
- Ensuring Spare Parts and Consumables are maintained at appropriate levels through the Maintenance Management Asset List
- Participation in Site Audits
- Ensuring all Maintenance Tasks comply with OHS Policies, Procedures and Instructions

To be considered for this position, the successful candidate will meet the following criteria:

- Previous Experience as a Maintenance Manager within a Food Processing Environment
- Proven Leadership, Communication and Teamwork Principles
- Excellent Fault Finding and Repair Skills
- Valid Australian 'C' Class Driver's License
- High Level of Communication and Organisational Skills with attention to detail
- A strong Team Player with a can-do attitude
- Ability to deal with Multiple Projects
- Flexibility in Hours with willingness to work after business hours (including Saturdays as Operationally Required)
