

#### QA Co-ordinator

Signature Onfarm is searching for a Quality Assurance Co-ordinator to join our dynamic team. You'll be part of a team of enthusiastic, skilled and hard working people who are achieving extraordinary goals in on farm beef processing. The role is located on a working cattle station in Central Queensland with quality accommodation on site.

The processing facility is export listed, experience in food manufacturing quality assurance is required. We are a relatively small team and the ability to multi-task is important.

#### Essential Skills

- QA experience
- Excellent communication skills
- The ability to write and maintain SOP's and Work Instructions.

#### Preferred Skills (Ongoing training is provided)

- Internal Audit / HACCP qualifications
- Beef Specifications
- Ausmeat Standards Officer qualifications

If you are from a QA, agricultural or food industry background and are looking for a unique career progression situated in the heart of cattle country, then please send through cover letter and resume including work references to [jobs@signaturebeef.com.au](mailto:jobs@signaturebeef.com.au).
