

## **Rendering Operations Manager**

Location: Dandenong South, Melbourne VIC

Australian Meat Group (AMG) is currently seeking a skilled Manager for our rendering operations state-of-the-art facility in Dandenong South, Victoria.

This facility is highly automated and geared towards strong exports. As a key member of our management team, reporting to the Plant Manager, DAFF the successful candidate will take on a wide range of responsibilities and accountabilities.

The Rendering Manager will be responsible for coordinating and overseeing the operations of our rendering plant, water treatment plant and requiring a comprehensive understanding of the rendering process and strong mechanical and communication skills.

Key duties of this role include:

- Coordinating production to ensure compliance with product safety, environmental, occupational health and safety, and industrial standards.
- Daily coordination and collaboration with our sales team for domestic and international sales of meal, tallow, and blood commodities.
- Planning and organizing all maintenance requirements within the operation.
- Managing allocated budgets effectively.
- Communicating and reporting to regulatory authorities.
- Identifying opportunities for ongoing improvements.
- Managing staff-related matters, including shift rosters, fostering positive employee relations, and supporting staff development.
- Regular communication and collaboration with the Plant Manager.

To succeed in this role, candidates should possess a strong understanding of the rendering process, knowledge of regulatory compliance, and preferably a background in maintenance or engineering. Excellent communication skills and experience in rendering commodity sales would be advantageous but not essential. This is an exciting opportunity for a motivated leader to join our highly talented and driven team and make a direct impact on our innovative and dynamic business.

The successful candidate will be rewarded with a competitive salary.
