

# LIVESTOCK BUYER

Southern Australian International Livestock Services (SAILS) is one of the leading breeding cattle exporters from Southern Australia.

We are currently looking for an experienced livestock person to join our team as a livestock buyer based in Western Victoria.

This is a full time role with the autonomy to manage your own schedule.

You should have:

- A strong and flexible work ethic with ability to independently manage responsibilities in a professional and fast paced business.
- A minimum 3-5 years experience in a livestock managers role or a livestock agency role.
- Sound livestock handling and animal husbandry skills from genuine experience in the cattle industry.
- Genuine ability to build your own supply channels for livestock to fill the businesses requirements across both Dairy and beef cattle supply chains.
- A strong attention to detail and ability to precisely maintain records and data.
- Strong interpersonal and problem-solving skills while working within a team.
- The ability to undertake regular domestic travel that will include irregular work periods and time away from home including weekends.
- An ability to understand and adapt quickly to strict compliance requirements involved in the livestock export industry
- Willingness to work when required assisting in our quarantine/feedlot facilities.

This is a very well remunerated role that includes a fully maintained vehicle for work and personal use.

Please forward applications including your CV to [breeders@sailsxp.com](mailto:breeders@sailsxp.com)
