FARM & FEEDLOT HAND

Central Stockcare is a family owned and operated beef focused business. CSC is a vertically integrated producer and supplier of beef to domestic and international markets. We have an opportunity for a motivated, reliable, and dedicated person with a 'can-do' attitude to join our team as a farm / feedlot hand at our Midwest Backgrounding / farming / feedlot operation, which is located 230kms north of Perth, 1 hour to a major regional town and beaches.

The Farm / Feedlot Hand will be required to support the Livestock, Feeding and Operations teams in all aspects of the hands on, day-to-day running of the farm and associated feedlot. 'Sendem Downs' is a neat property with comfortable workers accommodation, excellent infrastructure including a feedlot that operates year-round in conjunction with a backgrounding and breeding operation. Four centre pivot irrigators have recently been installed for irrigated pasture to minimise the impact of drought.

Responsibilities include but are not limited to

- Record keeping
- Receival of feed commodities.
- Ensuring clean water troughs are always maintained.
- Receiving, processing and dispatch of cattle to and from the feedlot.
- Scanning, drafting cattle to market specifications and weighing of livestock. NLIS reading and weighing using modern equipment.
- All aspects of livestock husbandry and welfare including handling and veterinary treatments.
- Welfare checks for the identification and diagnosis of illnesses with efficient communication to the Farm Manager.
- Feed mixing & delivery.
- Cleaning feed bunks.
- General farming duties, with modern machinery, loader, telehandler, modern feed mixer and mill.
- Pasture renovation, fencing, welding, water and general property maintenance, irrigation, and general farm / feedlot duties.
- Ensure that livestock handling facilities are kept in a clean and tidy state.

Skills and Experience

- Previous experience working in an intensive livestock handling operation preferred.
- Basic computer skills.
- Good communication skills.
- C class license minimum.
- Machinery experience preferred but not essential.
- Available to work rostered weekends with flexibility with working hours during busy periods.
- A demonstrated ability to work well both independently and within a small team environment.
- Initiative, attention to detail and the ability to meet deadlines.

What we can provide you

Generous salary package, including recently renovated Accommodation / housing school bus and mail service to front gate, along with work utility, phone, email etc. Friendly family work environment, well maintained and tidy facilities, pride in your workplace.
