

Logistics Specialist

About Us

Mandala Trading Pty Ltd is an Agricultural Trading business based out of Sydney Australia with liaison offices in Canada and Singapore. It trades agricultural produce globally into many countries like Indonesia, Philippines, UAE, SE Asia, China and Indian Sub-Continent. Mandala Trading is expanding exponentially into new destinations and looking to expand its Grains/oilseed logistics team to cater to its growing needs.

What we offer you

- Flexible work options available
- Company team lunches and corporate level get together
- A value led culture that encourages a collaborative & innovative working environment
- Growth with high level visibility and learning into all areas of the organisation
- Potential to move into higher management position

What you'll contribute to and how you'll make an impact

Reporting into the senior management team, the logistics executive is primarily responsible for the day to day execution, dispute resolution, communication with various stakeholders and key inputs into the future planning.

The successful candidate will have a strong background within the Transport industry and have experience in partnering with vendors and various other suppliers. You will be naturally a strong communicator, be detail focused, and have a demonstrated commercial acumen to ensure you and the business both continually succeed.

The role is open but not limited to:

- Dealing with transport providers , drivers, farmers, vendors, processors and end users.
- Developing strategies to create new business opportunities as well as implementation of existing target markets.
- Manage existing accounts and assist in future negotiations of freight and other expenses.
- Contributing to trading strategy development.
- Creating synergies with various stakeholders for smooth execution.
- Manage Inventory and records.
- Coordinate between 3PL stakeholders.
- Update changes to the stakeholders within time period.
- Being intuitive into understanding the possible issues and proactively handling it.
- Approve various invoices after cross checking references.
- Manage the end to end process.
- Ensuring that the data is updated and reported within deadlines.

Candidates will ideally possess the following experience and attributes:

- Experience in commodity trading and/or commodities logistics(ideally 1-2 years minimum).
- A good understanding of the Australian transport industry.
- Road or rail freight experience would also be seen as a benefit.
- The ability to liaise with suppliers, storage & handlers and transport operators as required.
- Good communication skills and the ability to establish rapport quickly with business contacts.
- A team player who is willing to adopt to a small team environment.
- A strong ability in Microsoft Office including Excel, Word and Powerpoint.
- Tertiary qualifications in similar field would be highly advantageous
- Drivers licence is a must and desirable to own a vehicle.

The successful candidate must be available for interstate travel.

Within this position you will be expected to maintain a positive working relationship with the team whilst holding an assertive attitude and getting the job done. This role is essential to the overall success of the business requiring a responsible, highly motivated and self-driven individual who is keen to help take the business into the future.
