

## **Vacant Position**

Would you love to be part of a passionate and hardworking team?

Are you looking for growth opportunities in your career?

Enjoy getting your hands dirty & empowering those around you?

This role could be for you!

## **Experienced Maintenance Hand**

### **Who we are looking for?**

- Someone passionately committed to agriculture and livestock production.
- Positive and progressive attitude with a vision for growth.
- Practical feedlot experience (preferred but not essential).
- A demonstration of effective interpersonal and communication skills.
- An ability to take direction to complete work efficiently and independently.
- Those who value a clean and tidy working environment.

### **Where will you be?**

Enjoying the wide-open spaces of the beautiful South Burnett - 25 km NE of Kingaroy, in a modern-day cattle sanctuary surrounded by a fun & respectful team who love what they do.

### **What to expect?**

- General feedlot and property maintenance – welding, fencing & water infrastructure repairs
- Feedlot pen cleaning and general earthmoving using modern, well-maintained machinery
- Tractor and farming work when necessary
- A varied work week when no 2 days are the same.

### **When will you work?**

Monday to Friday with occasional weekend work required.

### **Why Pakaderinga?**

- Because we have a fun, dedicated and passionate team of feedlot enthusiasts
- You will get to work a flexible roster - we all have lives away from our workplace!
- Experience and enthusiasm will be remunerated fairly
- Opportunities available for personal development and individual growth
