

## About Us

Angus Pastoral Company is an innovative, rapidly growing, family owned and operated beef business. We operate 4 stations in Central and Northern Queensland with breeding, backgrounding and feedlot operations. The company also has an export accredited abattoir located alongside the feedlot operation, marketing high quality beef around the globe.

## The Position

We are currently recruiting for a **Station Manager** to manage our prized breeding property, Carpentaria Downs, 280km North of Charters Towers. Carpentaria is the core of the breeding operation, focussing on the production of high quality, productive, quiet and confident beef cattle. The company has a strong focus on looking after our animals, land and people utilising a mix of traditional knowledge, values and cutting-edge practice.

Reporting directly to the General Manager, the Station Manager will be responsible for;

- Planning and management of the station's operations
- Developing a mustering plan delivering two full rounds and responsive paddock movements to maximise grass growth and cattle performance with a basis in skilled stockmanship and incorporating the use of horses.
- Assist with the development of the station's operations budgets and manage financial performance including regular reporting
- Undertaking routine preventative maintenance on plant, equipment and improvements.
- Assist with the development and management of annual capital improvement programs
- Management of staffing, working in with the group. Angus Pastoral Company has a key focus on building skilled young people across the beef supply chain and works with a permanent team across the group.
- Maintaining the station to a tidy, aesthetic standard
- Delivery of an annual supplementation program.
- Ensure compliance with quality assurance, WHS, company systems and legislative obligations
- Assist with the development of strategic and innovative initiatives and analysis, including the provision of data to evaluate, to enhance productivity, quality of output and resource efficiency.
- Working in with the group to ensure efficient utilisation of resources and cohesive planning.

The successful applicant will;

- Have previous leadership experience with an ability to grow quality young people in their roles to work alongside you.
- It is essential that you have very strong stockmanship and horsemanship skills promoting quiet and confident cattle.
- Have previous experience managing budgets and communicating across various levels of an organisation
- A down to earth personality, hands on operator with strong communication skills who sees their role as one of the team and who leads by example.
- A strong interest in beef production, the goals of the entire group and the quality of the product produced.
- Mechanical / machinery knowledge is of advantage.

A position is also available for a partner and the role is ideally suited to a couple or family.

Please email a cover letter addressing the criteria and your suitability to meet the position requirements along with a resume including work references to: [info@signaturebeef.com.au](mailto:info@signaturebeef.com.au)  
Applications Close: 9<sup>th</sup> February 2024
