

POSITION OPEN - Farm & Livestock Hand

About the role:

Glenisa Cattle Co are seeking a Farm and Livestock Hand to join the fun, friendly and social team that operate our diversified operation. Located in the picturesque Granite Belt Region of Southern Qld., "Glenisa" has a herd of 1,000 breeders that run over 8,000 acres of mixed country. Operating within the Glenisa Angus Stud, commercial and recipient herds, the position offers great diversity and ample opportunity for the applicant exposure and up-skilling in the many areas of advanced reproduction techniques including, AI, ET & IVF.

To be successful the applicant must have:

- Experience working with cattle in a calm manner and excellent animal health and welfare knowledge
- Fantastic work ethic, communication skills and take pride in their work
- Experience handling stock with horses and/or bikes
- The ability to work in a team environment and independently
- Sound knowledge of machinery operation and maintenance
- Drivers licence (Truck licence beneficial but not mandatory)

What we are offering:

Above award salary negotiable dependent on skills/experience

Accommodation provided (single or couple)

Progressive and varied role with training support and professional development
