

Vacant Position

Would you love to be part of a passionate and hardworking team?

Are you looking for growth opportunities in your career?

Enjoy getting your hands dirty & empowering those around you?

This role could be for you!

Experienced Stockperson

What are we looking for?

- Anyone passionately committed to agriculture and livestock production
- Positive and progressive attitude
- Practical feedlot experience or extensive cattle handling experience
- Demonstrate effective interpersonal and communication skills
- Those who value a clean and tidy working environment

Where will you be?

Wide open spaces enjoying the beautiful South Burnett - 25 km NE of Kingaroy, in a modern-day cattle sanctuary surrounded by a fun & respectful team who love what they do.

What to expect?

- Livestock Handling (Processing, Drafting/Weighing, Hospital, Paddock Mustering)
- A team with high quality horse and stockmanship skills
- Receival and Dispatch of cattle
- Exposure to industry leading vets, nutritionists and stock handling professionals
- Use of the latest feedlot management software
- Basic maintenance of livestock equipment

When will you work?

You will fit into our current 3-week rotation roster, which means you will only be required to work every 3rd weekend!

Why Pakaderinga?

- Because we have a fun, dedicated and passionate team of feedlot enthusiasts
- You will work in a flexible environment - We all have lives away from our workplace!
- Experience and enthusiasm will be remunerated fairly
- Opportunities available for personal development and individual growth
