Livestock Leading Hand

HW Greenham Meat Processing Facility is a leading provider of quality meat products, dedicated to sustainable and efficient processing practices.

We are currently seeking a dedicated and experienced Livestock Leading Hand to join our team. The Livestock Leading Hand will play a pivotal role in the smooth operations of our facility, ensuring the efficient handling and processing of livestock. This position requires a strong leader with excellent organisational skills and a keen eye for detail.

If you are a dedicated leader with a passion for livestock management and are looking to join a reputable and growing company, we encourage you to apply for the position of Livestock Leading Hand at HW Greenham Meat Processing Facility. Please submit your resume and cover letter detailing your relevant experience and qualifications.

To apply, or for more information about the role, phone Shane Rolton on 03 5859 0912 or email recruitment@greenham.com.au.

You must have full working rights in Australia without restrictions to be considered for this role.

Please note that only shortlisted candidates will be contacted

Key Responsibilities:

Livestock Handling:

- Oversee the unloading of livestock trucks, ensuring proper handling and welfare of animals.
- Implement and enforce proper animal handling techniques to minimize stress and ensure compliance with industry regulations.
- Coordinate with veterinarians and animal welfare officers as needed.
- Conduct regular inspections of livestock to assess health and wellbeing.

Paperwork and Documentation:

- Ensure all paperwork related to livestock intake, processing, and dispatch is completed accurately and in a timely manner.
- Maintain detailed records of livestock movements, health, and any incidents for reporting purposes.

Quality Assurance:

- Collaborate with Quality Assurance teams to maintain high product standards.
- Identify and address any issues related to livestock quality or welfare promptly.

Equipment and Facility Maintenance:

- Oversee the maintenance and cleanliness of livestock handling equipment and facilities.
- Report any maintenance or repair needs to the appropriate department for timely resolution.
- Ensure compliance with health and safety regulations at all times.

Qualifications and Skills:

- Extensive experience in livestock handling and management with a sound Knowledge of Animal husbandry and welfare practices.
- Strong leadership abilities with a proven track record of effectively leading teams.
- Excellent communication skills, both verbal and written.
- Ability to prioritize tasks and work efficiently in a fast-paced environment.
- Attention to detail and accuracy in paperwork and documentation.
- Physical fitness and ability to work in various weather conditions.
- Relevant certifications or training in livestock handling and welfare is a plus.
- Lead a team of livestock handlers, providing guidance and direction to ensure efficient and safe handling of livestock.

Benefits:

- Competitive salary
- Health and wellness benefits
- Opportunities for training and development
- Company staff meat sales
