

FEED MILL SUPERVISOR CONARGO FEEDLOT

The Business

The Conargo Feedlot is a modern 12,000 head feedlot located 25 km north of Deniliquin in the NSW Riverina. Owned by Australian Food & Agriculture Company, the Conargo Feedlot has continued to expand and develop since its establishment in 2017 to become a highly regarded, well resourced, intensive feeding facility ideally located to take advantage of markets and commodity supplies.

The Role

The Conargo Feedlot is in the process of commissioning a new milling complex designed to temper grain. We require an experienced Mill Operator to fulfill the full time position of Feed Mill Supervisor.

Key Responsibilities

- Operation of a modern grain tempering facility and feedlot feeding systems.
- Feed allocation and bunk management.
- Operation of feeding machinery and equipment.
- Commodity inventory management.
- Maintain accurate daily records across the feeding and milling operation.
- Supervision of the Feed Team.
- Commitment to animal welfare and WH&S principles.

Desired Attributes

- Previous experience operating tempering or steam flaking mills in a feedlot.
- Strong communication and organisational skills.
- A positive 'can do' attitude and team player.

Remuneration

An attractive remuneration package will be offered for this role.
