

LIVESTOCK SUPERVISOR CONARGO FEEDLOT

The Business

The Conargo Feedlot is a modern 12,000 head feedlot located 25 km north of Deniliquin in the NSW Riverina. Owned by Australian Food & Agriculture Company, the Conargo Feedlot has continued to expand and develop since its establishment in 2017 to become a highly regarded, well resourced, intensive feeding facility ideally located to take advantage of markets and commodity supplies.

The Role

We are seeking to employ a suitably experienced, full time Livestock Supervisor. Working closely with the Feedlot Co-ordinator, you will be responsible for planning the movement of all cattle that enter and exit the Feedlot and the associated backgrounding operation.

Key Responsibilities

- Selection of cattle for our customers' weekly exit program, ensuring they meet the required specifications.
- Plan and organise logistics for cattle exits.
- Plan and organise the movement of cattle from the backgrounding facilities.
- Ensure that all cattle directly consigned to the Feedlot, or sent to the backgrounding facilities, are inducted within a set time frame from arrival to maximise animal health.
- Recording daily inductions and checking that correct numbers have been started on feed as per our customers' requirements.
- Commitment to animal welfare and WH&S principles.

Desired Attributes

- Demonstrated experience in a similar role.
- Excellent communication and organisational skills.
- Strong record keeping skills.

Remuneration

An attractive remuneration package will be offered for this role.
