

## **ASSISTANT FEEDLOT MANGER**

The opportunity has become available for the position of **Assistant Feedlot Manager** at Kurrawong Feedlot in the Dalby District.

Morgan Pastoral is a family owned and operated farming and cattle business. Our feedlots are a critical and highly valued part of this business.

Reporting to the Feedlot Manager this is a vital hands-on role that is responsible for the daily management of feedlot operations.

The **Assistant Manager** is an important link between the operational and administrative functions of our business and will have key responsibilities that include but are not limited to:

- Lead and co-ordinate the livestock team in the animal health management of cattle and oversee livestock related activities (e.g. arrival, induction, animal health, treatments, drafting and dispatch) as required.
- Operation and maintenance of stock & site watering systems and notify management of any supply breakdowns.
- Assist with bunk calling, feeding, batching and milling.
- Oversee the co-ordination of machinery and maintenance/service requirements as needed.
- Ensure livestock systems (Stockaid, FY3000, Feedbunk) are updated by the livestock team with accurate details.
- Ensure the feedlot and staff comply with NFAS, EPA and licensing requirements.
- Ensure all work is being undertaken in line with WHS policies and procedure.

### **Skills and Experience**

- Feedlot knowledge of operations preferred but not essential.
- Knowledge and passion for high standards of animal welfare.
- Excellent communication skills
- Experience in consulting with external veterinary and nutritional consultants.
- Ability to think creatively and problem solve when required.
- Knowledge of or ability to learn and operate feedlot related software (Stockaid, FY3000, Feedbunk, Digi-Star)
- Current Drivers Licence

An attractive remuneration package based on skills and experience will be negotiated with successful applicant.
