

BREEDING BRILLIANCE

Thurs 9th May, 2024

10:00 AM - 2:00 PM

CocoBrew, 114 William Street, Rockhampton QLD

Isn't it time to get curious about **evidence-based** decision making, applied practically for **genetic gain** and improved herd **profitability**?

You are invited to join us during Beef 2024 to discuss harnessing reproductive science for beef profitability. Speakers and panelists include industry leading scientist and agribusiness professionals;

- Professor Mike D'Occhio
- Professor Jim Kinder
- Professor Ben Hayes
- Ian McLean
- Mike Stephens
