

**FEED MILL SUPERVISOR**  
**THOMAS FOODS INTERNATIONAL FEEDLOT**  
**Location: Tintinara, South Australia**

**The Employer**

Thomas Foods International Feedlot is a key operation in growing, supplying, and distributing premium meat to the world and forms part of the agricultural division of Thomas Foods International (TFI), one of Australia's largest family-owned businesses since 1988.

The construction phase of our expansion to 27,000SCU head capacity is now complete and in line with this we now have exciting new opportunities available. Located in Tintinara, just over an hour to Murray Bridge, the feedlot will be a key partner of the new Murray Bridge Processing Plant.

**About the role**

The Feed Mill Supervisor, reporting to the Feed Mill Manager, plays a key role in ensuring the efficient storage, handling, allocation and delivery of feed commodities and rations. Using leading edge milling equipment and machinery you will assist the Feed Mill and Maintenance Manager execute a preventative maintenance plan.

As Supervisor, you will have the chance to build on your leadership skills and assist with the training of new employees and promote a positive culture within the team. You will have exposure to our feedlot nutritionist and vet to build on your nutrition and animal health knowledge. The Feed Mill Supervisor role will provide the successful applicant with a progressive career in the feedlot industry.

**The Ideal Candidate**

The candidate we are looking for will have the following attributes:

- Experience with systems based production
- Basic mechanical knowledge
- Excellent communication skills
- Sound practical problem solving skills
- Sound time management and organisation skills
- Current drivers licence, desirable MR package

**Benefits and perks**

Thomas Foods International places an emphasis on developing employees by utilising recognised internal and external training. The successful applicant will have significant opportunities for both as they progress their career with the business.

This position provides a guaranteed 38 hours a week with opportunities for overtime, working an attractive 9 day on and 5 day off roster.

As a valued member of our team, we also offer you multiple extra benefits in line with your role:

- Competitive salary
- Safety-focused employer
- On the job training provided
- Progressive career opportunities
- Opportunity for external study support
- Uniform and boot allowance provided
- Assistance with sourcing accommodation
