

**Australian  
Cattle Enterprises**

## **Operations and Procurement Coordinator**

- Excellent remuneration package, with performance-based bonuses.
- Be part of a dynamic high performing team in an international trading environment.
- Darwin-based position with flexible work arrangements.
- Training and development opportunities provided for career development.

## **Australian Cattle Enterprises NT Pty Ltd**

ACE's professional team of livestock specialists provide the highest level of expertise and care across all elements of the live export supply chain, from farm gate to market.

We are a livestock business that focuses on strong customer relationships and a consistent supply of high-quality animals and animal welfare into South-East Asian markets.

### **The Role**

The ACE business is growing to export around 80,000 head of cattle and 5,000 buffalo per year to South-East Asia and background around 20,000 head of cattle per year. This role will support the business in the following key areas:

- Loading of livestock vessels across Australia and all associated logistics arrangements.
- Livestock management and procurement:
  - For live export shipments and for backgrounding.
  - Ensuring all livestock purchased meet required specifications.
- Ensuring compliance with all export protocols and government regulations.
- Attendance of discharge operations in overseas ports where possible.

### **The Person**

Qualifications in business management, veterinary science and export processes would be considered favourably but are not essential. Previous experience with livestock is mandatory.

This role will suit someone with experience in the livestock industry and who is motivated by the opportunity to work in a high pressure but rewarding role. The ability to think on your feet and a keen eye for detail will be critical in this fast-paced environment.

Good communication skills and the ability to build strong relationships will be key to your success in this environment where you are working with cattle producers, livestock agents, logistics providers, overseas customers, shipping companies and the Australian government.

This is a great opportunity to join a dedicated team passionate about livestock and animal welfare.

### **Application**

To apply now for this unique opportunity please send your cover letter and CV, including references, to Patrick Underwood, Managing Director on email: [patrick@acecattle.com.au](mailto:patrick@acecattle.com.au). Applications close on the 27<sup>th</sup> of May 2024.
