

Senior Financial Analyst – Position Vacant

The Position

The growth within Gunn Agri Partners (GAP) has led to the creation of a new position, Senior Financial Analyst. The primary purpose of the role is to lead the financial and investment analysis in new product development and strategy. You will work within a team where you will work closely and collaboratively with the Senior Business Manager in Asset Management. This is a full-time employment opportunity. The role is available to be based at our office in Bondi Junction or Albury.

The key responsibilities will include but not limited to:

- Financial modelling, building high quality financial and investment forecasting and reporting processes, building new financial models for product development.
- Investment return evaluation for asset investment, divestment and capital expenditure and complex operational scenarios.
- Extract data from internal and external sources to deliver customised business reporting and forecasting tools and presentation of data and analysis for key stakeholders.
- Manage projects from inception through to implementation as either instigator or as executor across key business units.
- Utilise mathematical tools and processes to analyse data.

The Candidate

To be successful in the role you will need to demonstrate the following:

- Minimum 3 years of experience in a similar role.
- Highly advanced MS Excel skills used for financial modelling.
- High level proficiency in the Microsoft office suite, including experience presenting information in PowerPoint, with skills using business intelligence tools desirable.
- Demonstrated problem solving, numerical and commercial skills.
- Strong knowledge and understanding of investing and business processes.
- An understanding of agricultural production or agribusiness desirable but not essential.
- Experience with working in a corporate environment is preferred but not essential.
- Proactive and driven attitude, with a commitment to meeting project deadlines.
- Proven ability to establish and maintain strong internal and external relationships.
- Superior time management and prioritization skills.
- High level of attention to detail.
- A current driver's licence and the ability to undertake travel.

The Company

Gunn Agri Partners was established in 2013 and provides agricultural investment and farm management services for Australian, North American and European investors. GAP manages \$800M of assets and commitments managed by the following platforms (Operating Companies):

- **Gunn Agri Cattle Fund** incorporating **Cunningham Cattle Co** investing in northern cattle production.
- **Wollemi Farms**, investing in permanent crop assets for lease.
- **Transforming Farming** incorporating **Faulkner Farming** investing in cropping and livestock farms and developing natural assets such as carbon sequestration and biodiversity.
- **Wilga Farming Australia** investing in cropping and livestock farms and developing natural assets such as carbon sequestration and biodiversity.

Our Commitment to Diversity

Gunn Agri Partners is an equal opportunity employer and is committed to building a diverse and inclusive workplace. We embrace diversity and welcome applications from all candidates, irrespective of culture, faith, sexual orientation, gender identity, disability, or age.

Remuneration and Benefits

An attractive salary package will be negotiable with the successful candidate based on experience and qualifications. The company will financially support the successful candidate to undertake further studies relevant to the position and or in line with career and business objectives.

To Apply

For any questions about the position, please send them via email to careers@gunnagri.com.
