

Farm Manager

Location: East Stirling, South Coast WA

Job Type: Full Time Permanent

- Opportunity to join a fast-growing newly-established cropping operation and place your mark on the business.
- Drive crop production through technology and innovation with high quality plant and equipment.
- Build a high performing team to develop a culture of strong teamwork & community spirit.

An exciting opportunity exists for an experienced and highly motivated hands-on Farm Manager to join our team on the Pallinup Aggregation near the East Stirling's on the South Coast of WA. This position will work closely with the General Manager and be responsible for timely execution of farming processes along with the implementation of corporate and governance processes.

Property Description:

The aggregation is 3,250ha with a plan for further expansion. Located approximately 140km to Albany which is the nearest major service center. The aggregation has a starting crop area of 2,250ha with scope for further growth.

What's Involved?

- Developing short, medium and long-term plans to achieve the commercial and sustainability goals for this farm.
- Timely execution of farming operations.
- Implementation of the businesses policies and procedures.
- Developing a strong culture of teamwork, working safely and with continuous improvement of both your farm and Wilga Farming.

We are seeking candidates who have the following experience, skills and traits:

- Extensive experience in Property Management on a medium to large cropping farm.
- Experience in livestock will be considered advantageous including exposure to AgriWebb.
- Sound understanding of work health & safety requirements to ensure a safe workplace.
- Be physically fit and able to fulfill all requirements of the role.
- Willingness to partake in the local community such as joining the local fire services/brigade.

About Us

Gunn Agri Partners manages agricultural businesses for institutional investors. We proudly manage Wilga Farming, Cunningham Cattle Co, Wollemi Farms and Faulkner Farming working across Cropping, Cattle and Permanent Crops alongside making positive environmental and land stewardship impacts.

WILGA
FARMING

Wilga Farming provides an opportunity for career progression with a growing organisation committed to sustainable farming and innovation where we value the safety and welfare of our people.

Apply Now – Don't Wait for this opportunity to pass you by!

An attractive salary package with onsite housing will be negotiated with the successful candidate based on experience and qualifications.

If you believe you meet the above criteria and want to be a part of an expanding agricultural team, please click on this link to [apply via SEEK](#) and attach a current resume and cover letter addressing how you meet the requirements of the role.
