

STOCK PERSON CONARGO FEEDLOT

The Business

The Conargo Feedlot is a modern 12,000 head feedlot located 25 km north of Deniliquin in the NSW Riverina. Owned by Australian Food & Agriculture Company, the Conargo Feedlot has continued to expand and develop since its establishment in 2017 to become a highly regarded, well resourced, intensive feeding facility ideally located to take advantage of markets and commodity supplies.

The Role

We are seeking to employ a full time Stock Person working a 10 days on, 4 days off roster.

Fit, energetic and committed, you will be required to assist with the receipt, induction, drafting and despatch of livestock; livestock movements; diagnosis and treatment of livestock; completion of accurate livestock records; yard work; trough maintenance and other general feedlot activities as required.

Selection criteria will favour previous feedlot experience, competency in feedlot computer programs, strong livestock handling skills, demonstrated ability to work within a team environment, good communication skills, attention to detail, and a willingness to comply with feedlot system protocols. Punctuality, safety awareness and a commitment to timely completion of allotted tasks is expected.

Remuneration

An hourly rate commensurate with experience will be negotiated with the successful applicant.
