

## Non-Executive Director x 2

### The Organisation

Our client is a well-established large scale pastoral business underpinned by a global institutional investor with a demonstrated commitment to Australian agriculture. They are passionate about sustainably managing the business to maximise long term value, by demonstrating best practice through a culture of knowledge and innovation.

Their vision is to be Australia's leading pastoral enterprise and a large-scale livestock producer with integrated supply chain capability. The business' core values are people (safety and wellbeing, promoting growth and fostering respect, trust, and transparent engagement), environments (prioritising social, environmental, and economic principles) and best practice (striving for excellence, dependability).

### The Role and Requirements

The business is seeking two Independent Directors to join the Board. They will play an active role in shaping the development and expansion of the broader integrated portfolio as well as providing governance and oversight in ongoing management of the livestock assets and processing capabilities.

Directors will have an extensive Executive career and demonstrated experience working in Northern Cattle production systems and/or meat processing and related value chains.

Additional required experience and knowledge include:

- An in-depth understanding strategy, markets, operational issues and challenges, technology and regulatory concerns.
- Proven commercial and financial acumen as applied to comparable agricultural enterprises of scale and complexity.
- An understanding of investment management including fully integrated operations, governance, ESG and risk will be highly regarded.
- Experience in managing, and knowledge of, the Australian political sphere around the agricultural sector.
- Previous Board experience is considered essential.
