

Property Manager – Tobermorey Station NT

Tobermorey is a privately owned 1.6mil acre organic cattle station on the Qld/NT border. Approx 280 kms SW of Mt Isa, running approx. 15,000 Santa breeders.

The Station Manager would ideally have -

- Experience with cattle breeding, ongoing support with recording & planning organic cattle
- Good Mechanical skills
- Water Infrastructure experience (incl solar bores)
- Fencing
- Road Maintenance - with scraper, dozer, grader & loaders
- A sound understanding & commitment to Workplace Health & Safety
- Strong leadership and communication skills in order to effectively lead and organise a team of staff.
- Advantage to have helicopter & or aeroplane licence.

An attractive remuneration package with development & support.

Well maintained 5 bedroom, air conditioned homestead, staff kitchen & attractive staff complex.

A caravan park & small shop are also incl. in the complex (open seasonally).

School of the Air available through Mt Isa.

This is an exceptional opportunity to work within a large, privately owned family business that values employees

This position is open to commence Dec/January.

Please email applications incl. a cover letter & resume to bespeed@outlook.com or for more particulars about the position phone Ben 0429 827 000.
