

### **Assistant Manager Position**

Copley Pastoral is a family owned and operated Brahman seedstock and commercial beef enterprise. "Salty" is located 1.5hrs from Toowoomba and 2.5hrs from Brisbane. We have a strong emphasis on selecting for fertility to develop a productive and efficient herd. Our purpose is to build a productive, sustainable and enjoyable business.

We are looking for an Assistant Manager to join our team. Our ideal candidate is an honest, enthusiastic individual, who is interested in being a part of a business with a major focus on genetics and breeding a functional, analysed herd.

#### **Required skills:**

- Mustering on horses (essential) and 2-wheeled motorbikes
- Livestock handling with low stress stock handling experience
- Animal supplementation/feeding and administration of animal health
- Accurate animal data recording
- Fencing, water and machinery repairs and maintenance
- Heavy/Medium Rigid licence an advantage

#### **Who you are:**

- Curious: A problem-solver who actively seeks opportunities, asks questions, learns and gets involved
- Energetic: Eager to learn and grow, with a positive mindset that contributes to a supportive team environment
- Dependable: Able to work independently with reliability and attention to detail

#### **Benefits include:**

An above-award rate wage plus superannuation, along with an accommodation package that includes a 3-bedroom house located 20 minutes from Crows Nest via bitumen road. Additionally, we value education and provide support for personal and professional development to assist further qualifications and growth.
