

About the role

We are seeking an exceptional Assistant Farm Manager to join our team at Gibson Grazing Co's feedlot and farming operation in Dalby, Queensland. In this full-time position, you will play a crucial role in supporting the day-to-day operations of our diverse farming enterprise.

What you'll be doing

- Assist the Farm Manager in overseeing all aspects of farm operations, including livestock management, cropping, and pasture maintenance
- Monitor and report on key performance indicators to ensure optimal productivity and efficiency
- Collaborate with the Farm Manager for planning, coordinating, and managing farm and feedlot activities
- Operate and maintain farm equipment
- Ensure compliance with workplace health and safety regulations and feedlot accreditation regulations
- Manage inventory, supplies, and farm records
- Contribute to the continuous improvement of farming practices and procedures
- Support farm expansion and improvement projects

What we're looking for

- Experience operating tractors and machinery
- Strong understanding of sustainable farming practices and livestock management
- Familiarity with modern farming techniques and machinery
- Excellent communication and leadership skills, with the ability to motivate and guide a team
- Problem-solving mindset and a keen attention to detail
- Ability to work independently and as part of a team
- Physically fit and willing to work outdoors in all conditions
- Excellent communication and organisational skills
- A valid driver's license

What we offer

At Gibson Grazing Co, we are committed to supporting our employees' personal and professional growth. In addition to a competitive salary, we offer a range of benefits, including:

- Opportunities for further training and development
- A collaborative and supportive team environment

- On-farm accommodation
- Suitable for a couple (with potential for work for partner) or family

About us

Gibson Grazing Co is a family owned agricultural enterprise in Queensland with a focus on our own station breeding, backgrounding and feedlot cattle. Gibson Grazing Co owns and operates dryland and irrigated farming on the Darling Downs. With a strong focus on livestock and cropping, we are dedicated to providing high-quality produce to our customers. Join our team and be a part of our ag story.
