About Us

Bindaree Food Group (BFG) is a vertically integrated supply chain business. From humble beginnings, we've grown to deliver tailored protein solutions from paddock to plate, serving both Australian and international markets.

We are a people-first business, valuing the experience and passion of our team. This passion is reflected in the unique flavor we bring to our products and relationships, cultivated across generations, geographies, and cultures.

About the Position

As Grain Fed Supply Chain Manager, you will lead the strategic sourcing and coordination of grainfed and feeder cattle across our supply chain. This senior role is pivotal to ensuring consistent supply, optimising livestock performance, and aligning procurement with commercial and operational goals across Bindaree Food Group's vertically integrated business.

Key responsibilities

- Oversee cattle procurement across feedlot and processing operations
- Align sourcing strategies with business needs and market trends
- Partner with feedlot managers to optimise cattle performance
- Lead continuous improvement across livestock supply chain
- Mentor and develop a high-performing team

About You

- Tertiary qualification in agriculture, agribusiness or similar, or equivalent industry experience
- Proven leadership in livestock procurement or feedlot operations
- Strong analytical and decision-making skills
- Excellent communication and stakeholder management skills
- Proficient in Microsoft Office; confident working with data systems
- Ability to travel as required domestically

Why choose us?

- Great salary packaging, including novated leasing
- Flexible working arrangements
- Work with a respected, vertically integrated agribusiness
- Contribute to a high-performing and values-led livestock team
- Enjoy regional living with national career opportunities
- Supportive leadership and professional development pathways
- Be part of a business committed to sustainability and innovation
