

Livestock Supply Chain Analyst

Short description

Drive data-led decisions and optimise livestock performance across a national paddock-to-plate supply chain.

Bullet points

- Deliver insights that drive livestock supply chain performance
- Lead forecasting, breakeven and animal performance reporting
- Work with executive and operational teams to guide strategy

About Us

Bindaree Food Group (BFG) is a vertically integrated supply chain business. From humble beginnings, we've grown to deliver tailored protein solutions from paddock to plate, serving both Australian and international markets.

We are a people-first business, valuing the experience and passion of our team. This passion is reflected in the unique flavor we bring to our products and relationships, cultivated across generations, geographies, and cultures.

About the Role

This is a pivotal analytical role at the core of Bindaree Food Group's livestock operations. As Livestock Supply Chain Analyst, you'll deliver accurate, timely, and insightful reporting to inform high-level decision-making across feedlot, grainfed and procurement operations. You'll work closely with senior stakeholders to improve transparency, drive performance and embed data-led strategies across a vertically integrated supply chain.

Key Responsibilities

- Develop forecasts and performance tools for livestock operations
- Prepare KPI reports on costs, animal health, nutrition, and inventory
- Consolidate internal and external data for strategic decision-making
- Analyse industry trends to assess competitiveness and opportunities
- Support continuous improvement in systems, processes, and insights

Requirements

- Experience in livestock, feedlot or agricultural industries
- Strong MS Excel skills; BI tool familiarity an advantage
- Excellent time management, organisation and problem-solving
- Analytical mindset with strong attention to detail
- Proven ability to engage stakeholders and communicate clearly
- Comfortable working under pressure in a fast-paced environment
- Knowledge of StockAid, Feedbunk, FY3000, Promptu (desirable)

Why Choose Us

At Bindaree Food Group, we're proud to be one of Australia's most respected paddock-to-plate beef businesses. As a key player in our livestock team, you'll work alongside experienced professionals and contribute to a high-performance, values-driven environment. We offer career progression, regional lifestyle benefits, and the chance to directly influence outcomes in a fully integrated supply chain.
