

GRADUATE POSITION

A graduate role with The Angus Group is a unique offering in the market place.

Our team consists of enthusiastic, practical and hard-working people who strive for a singular goal:

Producing the best beef that we can.

For over five generations, the Angus family have made daily choices that shape our land, our cattle and our beef.

Our Graduate Program is designed to share these choices and the reasons behind them with the future generations of our industry. We offer a year long program, committed to educating you on every stage of the Australian beef supply chain, and ultimately assist you in starting your career in the Australian Beef industry. This multifaceted program will allow you to gain hands-on knowledge, whilst working alongside experienced managers within our vertically integrated beef/cattle business. What stands our graduates apart:

- A truly hands on experience in every segment of the beef industry, from breeding, backgrounding, lot-feeding and processing through to sales and logistics, all in one place, in the heart of cattle country.
- A young and dynamic leadership team led by the four Angus siblings as well as the opportunity to work alongside founders Blair & Josie.
- A graduate program that draws out your strengths and ensures that you are working towards a future position that is the right fit for you.
- Mixing the lifestyle and comradery of a large cattle station with industry leading career development.
- The fast track: Our graduates enjoy a high rate of progression in the company.

A significant proportion of the leadership team have come through the grad program themselves, including our current:

- Sales executives
- Feedlot & Compost Manager
- Plant Operations Co-ordinator at Signature Onfarm
- Specification & Livestock Co-ordinator
- Head Stockman
- Marketing Manager

Signature Beef
PTY LTD

About the Angus Group

Close to 30 years ago, the Angus family began the journey beyond the farm gate, selling branded beef. Signature Beef now packs into seven brands and is exported to over 30 countries around the world.

The grazing operation Angus Pastoral Company has expanded to running over 40,000 head of cattle across four properties in Central and Northern Qld.

The Branded beef company Signature Beef, markets beef from not only our own pastoral company but also from other Australian feedlots and pastoral business on a weekly basis at our Signature On farm abattoir and at Casino in NSW. With a logistics and sales office in Brisbane CBD and a production supervision team rotating between facilities, the Signature Beef team is a diverse, young and passionate team.

Signature Onfarm now rounds out the group with a state of the art, greenfield Onfarm abattoir. The site exists on Sondella station, which is one of the only cattle stations in the world that has an entire beef supply chain on it. We are currently exporting from the facility to almost 20 markets around the world with the main ones being Europe, UK, USA and Japan.

How to apply

Our Graduate positions offer the successful candidates the opportunity to play a significant role in the future growth of The Angus Group, whilst enjoying all the benefits of a rural lifestyle, right here in the heart of cattle country.
