

Senior Farm Hand / Operator – The Watermark Aggregation

Employment Type: Full-Time, Ongoing

Location: Curlewis, 25 minutes south of Gunnedah, NSW

Faulkner Farming is currently seeking a motivated and capable **Senior Farm Hand/Operator** to join our team at **The Watermark Aggregation**, a large-scale farming operation located in the NW Slopes/Liverpool Plains region of New South Wales.

This hands-on role is integral to the daily operations of the farm and involves a wide range of activities including cropping, machinery operation, fencing, maintenance and harvesting. The ideal candidate will have prior experience in broadacre farming, strong mechanical aptitude, and a proactive, safety-first attitude.

Key Responsibilities:

- Assist with seeding, spraying, and harvesting operations
- Operate and maintain various types of agricultural machinery
- Perform general farm maintenance, including machinery, fencing and infrastructure repairs
- Maintain accurate records and contribute to a safe and efficient working environment
- Assist in the management and paddock movements of cattle

Skills and Experience:

We are looking for candidates who possess the following:

- Experience in cropping, preferably within a large-scale enterprise
- Proficiency in the operation and maintenance of agricultural machinery
- A current Driver's Licence (essential)
- Mechanical aptitude; welding and fabrication skills will be highly regarded
- Ability to work independently and collaboratively as part of a team
- Strong communication skills, attention to detail, and a positive attitude
- Physically fit and capable of performing manual tasks
- Advantageous qualifications/experience include:
 - Heavy Vehicle (HR) Truck Licence
 - ChemCert accreditation

- First Aid certificate
- Confined Space and/or Working at Heights certifications
- Experience using AgWorld and AgriWebb platforms
- Experience with cattle handling and movement (desirable but not essential)

What We Offer:

- Competitive remuneration package including superannuation
- Comfortable on-farm housing
- Career development opportunities within a growing and progressive organisation
- Supportive and safety-focused team environment
- Additional benefits negotiable for the right candidate

About the Property:

The Watermark Aggregation is a 6,000 Ha (~4,400Ha cropping) property located near to Curlewis, 30km south of Gunnedah, 70km northwest of Quirindi, and 80km west of Tamworth. It is a diversified enterprise focusing on mixed cropping and grazing.

About Faulkner Farming:

Faulkner Farming manages mixed farming properties on behalf of institutional investors, with a strong focus on modern and innovative sustainable practices. We are proudly managed by **Gunn Agri Partners**, a leading agricultural investment firm overseeing assets across cattle production, mixed farming, and permanent crops.

We are committed to the safety, wellbeing, and development of our team and offer a positive environment for career progression and innovation in agriculture.
