

Irrigation and Cropping Farmhand

Client

Our client is a reputable, family-owned farm enterprise with 2,200 hectares of prime land, located just a short drive from Emerald, QLD. They are seeking an energetic farmhand with experience in tractor driving, irrigation, and/or dryland farming. This is an excellent opportunity for a highly motivated individual to play a key role in the business, contributing to continued growth and success.

Responsibilities

- Hands-on involvement with all farm activities, infrastructure, management, and maintenance.
- Ensure farm efficiency, productivity & safety across all daily operations.
- Work closely with agronomists, contractors, and suppliers.

Requirements:

- Prior experience in row cropping and/or irrigation.
- The ability to work independently and as a team member.
- Prior experience operating and maintaining agricultural machinery.
- A commitment to a culture of continuous improvement, teamwork, and results.

Location

Central Queensland, 20km from Emerald.

Remuneration

- A highly competitive salary and benefits package.
- On-farm accommodation consisting of a modern 3-bedroom house.
- Career development and progression within a reputable agricultural enterprise.

To Apply
