

BRIGODOON CATTLE COMPANY

Is looking for a

FEED MILL MANAGER

Key details:

- Position is located at Brigodoon Feedlot, situated between Taroom (47km), Wandoan (60km) and Roma (130km) in Central Queensland
- Family owned and operated business
- Currently feeding 5000 head
- Suited to an individual, or a couple with children ideally school-aged

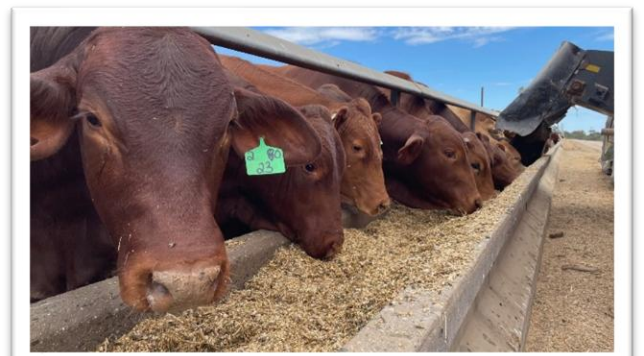

The position:

Duties include undertaking the following tasks, and managing others to:

- Operate feed mill (transfer grain from silos to bunk shed, roll & wet grain etc.)
- Clean and maintain milling area, bunk and hay sheds, weighbridge, machinery and equipment (generators etc.)
- Maintain pens and laneways (removing manure, repairs to cables and bunks)
- Unload grain into silos
- Mix grain and feed cattle. Options available for a 10 on / 4 off roster
- Help induct and truck feedlot cattle

What we offer:

- Large family home located 7km from feedlot, with bus running to Taroom State School P-10. Single accommodation also available
- Power and work vehicle provided
- Above pastoral award rate, to be negotiated at an interview and dependant on applicant's prior experience
- Applicants must have strong communication skills, be flexible and be willing to help others
