

# Join Queensland's Leading Bovine Reproduction Company

## Bovine livestock hand – Full Time | Rocky Repro | Rockhampton QLD

### About Us

Rocky Repro is Queensland's premier Bovine Reproduction Centre, proudly supporting some of Australia's top seedstock producers. As an export-accredited centre, we offer a full range of bovine reproduction services both in-centre and on-farm.

Our purpose-built facility is located just 15 km from Rockhampton—Central Queensland's thriving agricultural hub—offering a pleasant semi-rural lifestyle environment. With a dedicated team of 15 professionals, we are committed to excellence in livestock management, animal welfare, and customer service.

---

### The Role

We are seeking a **hands-on, bovine livestock hand** to join our close-knit and dynamic team. This full-time position involves direct work with bulls and cattle across a variety of day-to-day responsibilities, including:

- Feeding animals to their individual requirements
- Assisting with semen collection and health testing
- General care, treatment, and monitoring of animals
- Maintenance of facilities, yards, and equipment
- Working collaboratively in a team to support efficient daily operations

This is a physically active role, ideal for someone who is passionate about livestock and looking to build a career in animal reproduction and genetics.

---

### What We're Looking For

We're seeking a **professional, enthusiastic individual** with experience handling cattle, especially bulls of various breeds and temperaments. You'll need to be safety-conscious, reliable, and have a keen eye for detail.

### Essential Experience & Requirements:

- Sound knowledge of cattle handling and animal husbandry
- Confidence and competence working with bulls
- Experience in seedstock operations (highly regarded)

### Key Skills & Attributes:

- Low-stress stock handling techniques

- Stock handling and halter breaking
  - Mechanical aptitude and willingness to perform maintenance tasks
  - Ability to work independently and as part of a team
  - Physically fit and able to work outdoors in all weather conditions
  - Strong observational skills and attention to detail
  - Safe operation of quad bikes and other equipment
  - Excellent time management and communication skills
  - Willingness to work on a rotating weekend roster
- 

### **Why Join Us?**

At Rocky Repro, you'll become part of a respected, forward-thinking organisation that values animal welfare, professional development, and team collaboration. We offer:

- A positive and supportive team environment
  - Opportunity to work with industry-leading genetics and technology
  - Competitive salary, based on skills and experience
  - A lifestyle-friendly location near Rockhampton
- 

### **Ready to Apply?**

If you're ready to take the next step in your livestock career and want to work with a passionate team in a leading-edge facility, we'd love to hear from you. Send your resume to [chris@wiserepro.com.au](mailto:chris@wiserepro.com.au)
