Allied Rural Marketing

Allied Rural Marketing is part of the Allied Beef Group and delivers a high-quality service to New South Wales, Queensland and The Northern Territory, with a focus on Livestock and Rural Property. Over the 6 years our business has been operational we have experienced strong growth and are looking for more people to join our expanding team. Allied Rural Marketing specialise in Direct to works, Live Export and Feedlot Supply as well as paddock-to-paddock sales. We have on going supply commitments to all supply paths. The broader Allied Beef Group has substantial investments in the rural space including two feedlots.

Currently we are keen to meet with experienced Rural Marketers to help deliver service to new and existing clients. We are keen to hear from people who have an existing client base who would like to be part of a team that will supply support and reward. Our team is small but diverse and can help deliver new services and a network that can participate in all aspects of Livestock Sales and Procurement. More services to clients will give you more reasons to be in consideration when opportunity arises.

Ideally, we would like to base people in Western, Northern or Central Queensland as well as Northern New South Wales. An attractive package will be tailored to suit work life balance as well as strong remuneration and support.

We would also be interested to hear from people who are keen to commence in the industry.
