

Cattle Station Manager – Pilbara, Western Australia

Start Date: March

Employment Type: Full-time, On-site

We are seeking an experienced and motivated **Cattle Station Manager** to lead day-to-day operations on our property located in the Pilbara region. This is a hands-on leadership role suited to someone with strong livestock management skills, excellent people management, and the ability to run a station efficiently and safely.

Key Responsibilities:

- Oversee all aspects of station operations, including cattle management, mustering, animal welfare, and property maintenance
- Lead, train, and support a small team of station staff
- Plan and manage seasonal programs, including mustering schedules, fencing, water points, and infrastructure upkeep
- Maintain accurate livestock and operational records
- Ensure safe work practices and compliance with relevant regulations

Requirements:

- Demonstrated experience managing or assisting in the management of a cattle station
- Strong knowledge of northern Australian beef production systems
- Competent in bike work, low-stress stock handling, and remote area operations
- Solid leadership and communication skills
- Practical mechanical, fencing, and general maintenance abilities
- Ability to work independently and problem-solve under pressure
- Valid driver's licence, competency with machinery and equipment desirable

What We Offer:

- Competitive salary package (including accommodation and utilities)
- Supportive ownership and long-term stability
- Well-maintained station infrastructure
- Opportunity to lead a team and contribute to ongoing station development
- A great lifestyle in the iconic Pilbara region

How to Apply:

Please send your resume and a brief cover letter outlining your experience to admin@jctsock.com.au Applications will be reviewed as received.
