

## Maintenance Manager

### Kimberley Meat Company – Broome, WA

- **Be part of our reopening in 2026** – help shape the future of a revitalised operation
- **A genuine new start** – build systems, teams and culture from the ground up
- **Unmatched Kimberley lifestyle** – world class boating, beaches and outdoor living

Kimberley Meat Company is a beef processing facility located between Broome and Derby in Western Australia. Under new ownership and with experienced management team on board, the business is undertaking significant investment and will reopen in 2026.

Reporting to the General Manager, the **Maintenance Manager** will be responsible for recruiting and leading a multi skilled team of employees and contractors, ensuring plant and equipment are fit for purpose, compliant and optimised for performance.

### Key Responsibilities

- Establish and lead the site maintenance function, including preventative and reactive maintenance programs
- Manage commissioning, upgrades and ongoing reliability of processing and utilities equipment
- Lead, mentor and develop a skilled maintenance team and contractors
- Ensure compliance with workplace health and safety, food safety and regulatory requirements
- Manage maintenance budgets, spare parts, shutdown planning and continuous improvement initiatives
- Work closely with operations and engineering to support production targets and long-term asset planning

### About You

- Excellent leadership and people management skills, developed over 10+ years in leadership roles.
- Proven experience in a maintenance, ideally within meat processing, food manufacturing or heavy industry.
- Strong technical knowledge of mechanical, electrical and automation systems.
- Practical, adaptable and organised with strong schedule management, planning and problem solving skills.
- Confident in decision making, collaborative with others and committed to the safety of our people.
- Relevant trade qualification and/or engineering background preferred.

### **Why Join Us?**

Kimberley Meat Company is under new ownership and forms part of a broader Australian pastoral portfolio held by an international fund.

This role offers the chance join a new operation from the outset while enjoying a lifestyle few places can match. The Kimberley is renowned for its spectacular coastline, rivers and outback which are perfect for boating, fishing and outdoor adventure.

Combined with great beaches, restaurants, cafes, sports and schools, this could be the move you're been looking for.

### **How to Apply**

If you're ready for a fresh start and want to be part of a team which holds integrity, respect, adaptability and resilience as core values, we'd love to hear from you.

To apply, please email a current CV and a short cover letter describing yourself and what attracts you to this role to [recruitment@kimberleymeat.com.au](mailto:recruitment@kimberleymeat.com.au)

Applications will be reviewed and responded to as they are received so don't delay!

Please note this is not a FIFO role. The successful candidate is expected to be based permanently in Broome or Derby, WA. Relocation and housing assistance is available.
