

Farm Management Position - Suits Single or Couple – Warragundi Aggregation

Mudgee/Gulgong/Central West NSW

We are currently seeking an experienced Farm Manager to join our Bettergrow team at Warragundi. This is a senior management role to lead our current team of farm managers and staff while still being expected to get hands on with daily farm activities. You will be reporting to the CEO.

Warragundi Aggregation is located near Mudgee in NSW and is set on approx 12,000 hectares with twelve aggregated neighbouring farms sustainably operated as a single agribusiness enterprise supporting the large-scale production of pasture, fodder, and beef. Warragundi plays an integral part in the Bettergrow sustainability economy. With managed grazing of cattle for beef production, timed around cropping for fodder, improved pastures and complimentary grazing operations with our principal focus being soil health.

The role involves:

- Maintaining regenerative agriculture practices
- Supporting the development and implementation of our breeding program
- Guiding the development of capital improvements and supervising contractors
- Supporting the development of cropping and pasture programs
- Working with our BioOrganics team to implement spreading programs for compost and biosolids applications to the aggregation
- Monitoring and reporting of our soil carbon project management activities (3,800 hectare)
- Administration of NLIS/Meat Standards Australia/LPA/Water NSW
- Working with head office for accounts payable/receivable and payroll
- Being responsible for the care, maintenance and profitable use of plant and equipment

The successful candidate for this role will have:

- An interest or experience in new farming techniques and technology
- Strong communication skills
- Experience in managing a large team
- Sound knowledge and understanding of beef cattle production and opportunistic cattle trading responsibility
- Hands on experience in livestock management, cropping operations, earthmoving operations, and business management

- Exceptional attention to detail
- A strong work ethic
- Positive attitude to the agricultural industry
- Proven ability to build and maintain strong internal and external relationships
- Experience in using AgriWebb (Mob Based)
- Completed RCS - Grazing for Profit Course desirable but not essential
- Desire and passion to continue to learn and push into new areas

This is an excellent opportunity to join a motivated team and contribute to an expanding Australian owned farming operation. Your skills and work ethic will be rewarded with a competitive salary, excellent working conditions, an exceptional 5br homestead and work ute.

School bus runs past front gate to Mudgee and Gulgong schools.

Please email resume and cover letter to fitzpatrickje@bettergrow.com.au

As part of the selection process, applicants must be prepared to undergo a pre-employment medical examination which includes functional, audiometric and drug and alcohol testing.
